

ASSIGNMENT 1

Name: Sanskruti Hanumant Raskar

Roll No: TECOC312

Subject: Web Technology

Division: C

Sr.n	Website URL	Purpose of Website	Things Liked	Thing's dislike	Overall good/bad
1.	https://www.saab.com/	Keeping people & society safe	Styling is good and easy to use. Navigation is good	Styling in search section could be little better	Good
2.	http://whatfontis.com/	Upload a screenshot of a font, and this site will try to tell you what it is	no subscription required, drag and drop feature available, easy to use	styling could have been little better	Good
3.	https://www.geoguessr.com/	Google Map view of a random location on earth, and you have to guess where you are. Surprisingly fun.	GUI is excellent and styling is done pretty well	Reviews section is what we see the first.. that could be changed	good
4.	https://www.canva.com/	Online photoshop with a bunch of free and paid elements already loaded in	User-friendly interface and very attractive to look(in terms of styling)	Every link is redirected to a new tab which ends up creating many new tabs	Good
5.	https://www.australiazoo.com.au/	To encourage people about animals	Attractive and lovely photos of the animals & also have	Styling in search section could be little better, &	Good

			covid safe plan	annual pass , Buy tickets section is not working	
6.	https://www.pennyjuice.com/	To create 100% blended fruit juice concentrate specifically designed for childcare centers.	Only the purpose	Very bad GUI(contains way too many colours), The layout lacks clear navigation	Bad
